23rd June 2019
Feast of the Body and Blood of Christ

For the members of the ACI Family

Dear All: Today is a great feast for all Christians. Saint Raphaela Mary experienced intensely the love of God manifested in the Eucharist; she had the certainty that the Eucharist is the life of the Institute "as the root is of the tree." "To place Christ for the adoration of the peoples" was for her, for M. Pilar and for the first Handmaids one of their greatest desires. Therefore, today's feast has a special meaning for us Handmaids and for the members of the ACI Family. We celebrate it with joy and thanksgiving.

On this special day, I have the joy of communicating to you the names of those who will comprise the new International Commission of the ACI Family. They are five laypersons and two Handmaids who represent different areas and countries.

Claudia Iwanica	Province of Argentina-Uruguay
Isabel Branco	Province of Atlantic Europe
Vanessa Amarelle	Province of Spain
Juan Jairo Laverde	Province of Colombia-Panama
Sylvestra Bardeskar	Region of India
S. Brigit Viji	Region of India
S. Pilar Guzmán	Province of Spain

I am immensely grateful to the previous Commission for all their dedication in the work that they have accomplished. May the Lord repay them for all that they have done to inspire and open up horizons for commitment in the ACI Family.

Affectionately,

Rosario Fernández Villarán aci
Superior General
