

WE ARE ACI FAMILY...

Lord, today we want to thank You for the life and faith of Saint Raphaela Mary, and thank You for the Handmaids who introduced us to her charism and spirituality, which have been a great help to us on our own journey.

We have in our hearts the great desire to be in communion with your Son Jesus Christ and his Church, and to collaborate with His mission, following the style of Saint Raphaela Mary and wanting to live in her way, which is the way of Jesus.

We want to continue our search of this, our own and unique path, integrated in and supported by the group to which we belong, which is part of this larger family in your Church, the ACI Family.

We will strive to become more and better acquainted with the life and spirituality of Saint Raphaela Mary.

We will strive to live reparation as a response of love to the Love that Jesus has for us, trying individually and in groups to serve the poorest or those who are suffering.

We will strive to live the Eucharist in its dimensions of Celebration, Adoration and Attitudes of life, following in the footsteps of Saint Raphaela Mary.

We will strive to be Christians who live life and faith with seriousness and commitment, and to be available to collaborate with the mission of the Handmaids.

Lord, may the life of your Son Jesus be our guide, and may your Spirit enlighten us so we may be instruments of good in the lives of all those around us, determined to transform the world, God's Kingdom.

May Mary accompany us and teach us to be available, giving the best of ourselves, and may we help each other with solidarity and a spirit of brotherhood.

Saint Raphaela Mary, pray for us to the Lord!
