

Jesus is risen! He lives among us!

"Why you seek the living among the dead? He's not here, but has risen."
(Lk. 24)

Let us live this news with joy and truth. As Pope Francis says: "Here begins the journey to our mission, to proclaiming: Christ is risen! May the world become "the space of our new life as resurrected persons. Let us be witnesses with our LIFE. May it "become, thanks to Him and with Him, an instrument of rescue and hope, symbols of life and resurrection".

Pope Francis, in Adoration on Friday the 27th, told us:

"In the face of suffering, where the true development of our people is measured, we discover and experience the priestly prayer of Jesus: "That all may be one" (Jn 17:21). How many people show patience and instill hope, being careful not to sow panic, but co-responsibility. How many fathers, mothers, grandfathers and grandmothers, teachers show our children, with small, daily gestures, how to face and go through a crisis by re-adapting routines, raising their eyes and encouraging prayer. How many people pray, offer and intercede for the good of all. Prayer and silent service are our winning weapons".

Don't you think this is living the true resurrection? This is the power of the Risen One. When those moments come, we must spread the word, just as Mary did: "We saw the Lord!

"Let us never lose faith and joy.
Let us abandon everything,
in God with peace, quiet and great confidence
in the one who loves us so much and is so powerful.
He will make us people of peace and joy".
(Saint Raphaela Mary)

As ACI FAMILY, let us pray for one another, so that by sharing Christ's victory we may open our doors to the weak and poor. In this way we can experience to the full the joy of Easter.

HAPPY EASTER!!!
