HAPPY CHRISTMAS

God became a child to show us Love, the Truth, the Way and to announce to all men that this is the way to find LIFE IN TRUTH and happiness for all.

Pope Francis:

In its authentic poverty, the nativity scene helps us to rediscover the true richness of Christmas, and to purify ourselves from so many aspects that contaminate the Christmas atmosphere. The simplicity and familiarity of the crib reminds us of a different kind of Christmas, far from the consumerist and commercial one: it is something different; it reminds us how good it is to appreciate moments of silence and prayer in our often hectic days. Silence favours the contemplation of the Child Jesus, it helps us to be intimate with

God, with the fragile simplicity of a newborn child, with gentleness.

“The angel said to them: “Do not be afraid. I bring you good news that will cause great joy for all the people. Today, in the town of David a saviour has been born to you; He is the Messiah, the Lord.” (Lc 2, 10-11)

1st JANUARY 2023 **HAPPY 2023 !!!**

We wish that the New Year will make us be a blessing for others following the feelings of Saint Raphaela Maria.

“This year, I want to be the joy of the Lord”

“To do everything for peace”

Dear Friends of the ACI Family, dear Sisters:

On this Solemnity of the Nativity of Jesus, we join the whole Church with the desire to be Good News for all. May the New Year, that now begins, be one of peace, love, solidarity, understanding, forgiveness,... and may we build a more just and human world
