

**WORK IN PREPARATION FOR THE IV INTERNATIONAL ASSEMBLY OF FACI**

*Dear friends of the ACI Family:*

*For the preparation of our IV International Assembly, recently announced in a previous letter, we would appreciate your answers to the questionnaire, below.*

*Could you please, send the answers of each FACI group to the person in charge of the National Commission, so that he/she can forward them to the International Commission, if possible not later than 30/03.*

*Thank you for your collaboration.*

1. How did your ACI group/community live during the pandemic?
2. In what way has the document that emerged from the III International Assembly of FACI held in February 2019 contributed to your formation and work process? Give some concrete example of how you put it into practice.
3. Does the FACI website help you? If so, in what way?
4. Do you receive the prayers and material sent by the International Commission? Do you find them useful? Would you like to make any suggestions?
5. According to the needs and reality of your group, which themes, apart from those which emerged at GC XXI, would you like to see treated at the IV International Assembly of FACI, which will take place in Rome in February 2024, with representatives of FACI from all over the world?
