

Feast of Corpus Christi

On this Feast, we glorify the presence of
 your Body
 your Blood and your Divinity!
 Help us to believe more in you, Lord;
 We ask You to increase our faith!
 Lord, you are not only the living Bread
 that feeds us; you are our refuge, our
 hope, our strength
 our consolation!
 Blessed and praised are You, Oh
 Lord!

“Let us continue our celebration of Holy Mass: the Memorial that heals our memory. Let us never forget: the Mass is the Memorial that heals memory, the memory of the heart. The Mass is the treasure that should be foremost, both in the Church and in our lives. And let us also rediscover Eucharistic adoration, which continues the work of the Mass within us. This will do us much good, for it heals us within. Especially now, when our need is so great”.

*Pope Francis,. Homily om the Feast of Corpus Christi

Feast of the Sacred Heart of Jesus

In this month of June, dedicated to the Sacred Heart of Jesus, let us honour and imitate more intensely Christ’s generous and faithful love for all humanity. Let us persevere in individual prayer and in our families. Let us ask Jesus to unite our hearts with His own.

“Contemplating his heart, leads us to look at the world with active hope”
